

## Bolton High School – Advanced Placement (AP)

**Advanced Placement (AP)** – The College Board Advanced Placement program is a national program that prepares students, upon completion of the course, to take the AP examinations in May and earn college credit. Students are recommended for these courses by the previous teacher in that subject. Scores on the AP exams range from **1** to **5**. Each college determines its own AP credit policy. Students must receive at least a score of **3** to be eligible for credit and many schools require a score of **4** or **5**. Listed below are the specific AP courses that prepare students for the exams. There is a fee for the AP exam.
